Dolphin Swim Academy is a CLTS provider for swim lessons.

Dolphin Swim Academy CLTS swim lesson rates:

Group lessons: \$200/month

Semi private lessons: \$350/month

Private lessons: \$700/month

Group lessons have a class ratio of 1 instructor to 4 swimmers

Semi private lessons have a class ratio of 1 instructor to 2 to 3 swimmers

Private lessons have a class ratio of 1 instructor to 1 swimmer and are prioritized for medical necessity and safety

Private lessons have additional requirements. The swimmer must be at a cognitive age of 4 and able to learn to swim. At any point the lesson seems to be therapy based vs learn to swim, we will reach out to the parent to discuss options. Swimmers will graduate from private lessons when the requirements for our Sea Green Level have been completed. They are able to continue in our group classes if that is safe and medically possible.

All CLTS families must create their own account and enter payment information, we will not bill for lessons, but bill for any other purchases.

All CLTS families must also fill out an intake form.

This will be sent to the family or for the case worker to pass along if reaching out on behalf of the family.

All families regardless of who is paying for lessons enter a contract with Dolphin Swim Academy and must agree to all of our policies and procedures and sign waivers.
