

Welcome to Dolphin Swim Academy, we are excited to offer family and lap swim times for patrons to practice swim skills, enjoy the pool, train for a triathlon, or get a low impact workout in. As a family friendly facility we do have a few rules that we ask everyone to follow to keep everyone safe and having fun.

General Rules

1. All children under 16 years of age must be accompanied by a responsible adult.
2. Swimmers using the lap lane must be swimming laps and 16 years or older.
3. No children will be allowed in the pool with flotation devices while parents or caregivers are out of the water. If your child can not swim you need to be within arms length at all time.
4. No inflatables are allowed, such as but not limited to, inner tubes, rafts, or etc.
5. Any non toilet trained swimmers must have a reusable swim diaper. Diapers should be secure around the waist and thighs to hold in any accidental fecal release. Disposable diapers are not allowed.
6. Any horse play that is unsafe will be given a warning, if persists, you will be asked to leave.
7. All pool rules posted must be followed.
8. Lifeguards are here to monitor and enforce rules, not to babysit or solely watch your swimmers.
9. We have a zero tolerance policy. Any harassment physical or verbal or any physical altercations to other patrons or staff will not be tolerated and patrons will be asked to leave and depending on severity Police may be called.

Lap Lane reservations

Due to only having one lap lane available, during morning times, we ask that lap swimmers reserve a time online. You will have a 45 minute time spot you can register for. Up to 3 adults can share a lane at a time. For evening times you do not need to register as we will have both lanes available.
