If you enroll Oct - Dec \$10

-Annually on January 1, families will see a \$30 registration fee added to their account and billed with January's tuition.

-If you enroll in March 2022 and stay through June 2022 and come back in October 2022 you will not be charged another registration fee. Your original fee is good through the whole calendar year it was charged.

-For current tuition rates, please view our pricing under our pricing tab on our website.

-At this time, DSA accepts debit or credit card, cash or check made payable to Dolphin Swim Academy.

-When first enrolling we highly encourage a three month commitment. This helps show skill progression and builds the relationship with Instructor. Current registered families will see their tuition posted on the 25th of the month for the next month's lessons. Payment will be due the first week of each month's lessons or billed on the 5th if using debit or credit card.

-All families will need to have an active debit or credit card on file. You may still pay with cash or check by the 1st of the month.

-If you prefer to pay in cash or check. Payment must be received by the 1st of the month. If not, your debit or credit card will be processed on the 5th of the month.

Return Check Policy

The check writer will be held responsible for the balance of the lessons as well as any fees associated with a NSF or returned check. Once notified, payment will need to be made before any future lessons. Nonpayment will result in being dropped from the class.

Refunds

Dolphin Swim Academy **does not** issue refunds. All unused tuition will be applied as a credit to your account to be used for future lessons. No credits or refunds for missed classes.

Lessons are prorated for DSA closures or holidays.

Attendance Policy

It is important to make it to your child's swim lessons consistently. This will help with skill retention and further growth in swimming. We do understand that illness, family emergencies and life just happens sometimes. If you know you are going to be absent please let us know. This will allow us to have more availability in offering makeup lessons to other swimmers.

Dolphin Swim Academy will not issue any credits or refunds for missed classes. If you miss a class we can reschedule **up to one makeup per month**. With continuous enrollment, makeups may be rescheduled to allow for a new enrollment, we will only be scheduling makeups a week out. This hopefully will help prevent rescheduling of makeup lessons. Makeups will also expire three months from the date of the absence. Families will **not** be allowed to "bank" makeups and receive a free month of tuition.

Makeup lessons are not guaranteed and a service that we would like to be able to continue to offer.

You will be able to trade in a makeup lesson for a family swim pass! This is good for the whole family to come in and enjoy the pool during our family swim times.

Private lesson makeups - these are not guaranteed due to the nature of requesting a private lesson. We may credit for a missed class if more than 48hrs notice is given to allow us time to rebook the class.

Weather

Please use your best judgment. If you feel unsafe to travel to swim lessons we want you to stay home. Let us know that you will not be coming in and we can reschedule your lesson or offer a Family Swim Pass.

Severe Weather

Snow:

- In case of snow or other severe winter weather conditions, Dolphin Swim Academy will cancel morning lessons if Monona Grove School District closes, evening lessons will be determined by 2:00pm as to opening or closing. Saturday lessons will be notified by 7:30am and Sunday lessons will be notified by 11:00am to open or close due to inclement weather.

-If you feel that it is unsafe to travel to lessons, please call and let us know and we will try to get a makeup lesson scheduled. Makeup lessons are not guaranteed, as we cannot control the weather, we will try our best to reschedule the missed lesson.
