

Building a Dream

It started with a dream over ten years ago. I knew one day I would own and operate my own swim school. This day came true on Saturday, October 10th, 2020 when Dolphin Swim Academy broke ground at 1500 Landmark Dr, Cottage Grove, WI.

This date is personally significant for me as I lost my Aunt to breast cancer 10 years ago on October 10, 2010. She never got to see my dream become a reality, she listened to me for years talk about my love for swimming and my future plans and dreams. We had a warm sunny day and knew her spirit was with us, I could not have asked for a more perfect day surrounded by family, friends, DSA families, DSA team, and my construction team.

All of us at Dolphin Swim Academy are excited to make this dream a reality in the next coming months and to get back in the pool doing what we love.

There have been several people who have helped make this possible and I would like to take a moment to thank them for their hard work thus far.

Nick, Eric, and Jamie at **Forbair Group**

Joe, Rhonda, Jesse, Daryl, and team at **Ramaker Architecture and Engineering**

Tony and April Hudzinski at **Ski Team Realtors & Badger Realty Team**

The Village of Cottage Grove for approving this project in our community

Stephani Storkson at **Chickadee Photography** for capturing the day through priceless photos

Also a huge thank you to all of our Dolphin Swim Academy families. We would not be here if it was not for your continued support in teaching your children how to swim. It brings us such joy to teach such an important lifesaving skill and do what we love each day!

Thank you from the bottom of my heart.

Best,

Ms Brittany
